<p>4 cut out + installation brick wall</p>																							

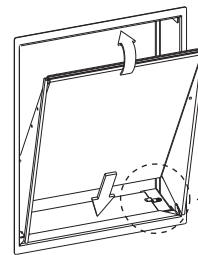

Please make sure that mains voltage is disconnected before proceeding! ⚡

5 connection

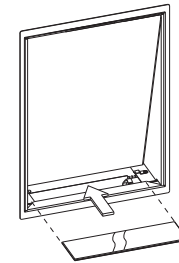

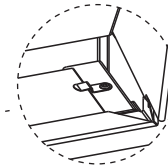

Connect appliance to correct voltage

Insert bracket from the inside. Slide the bracket to the wall and fix with the screw.

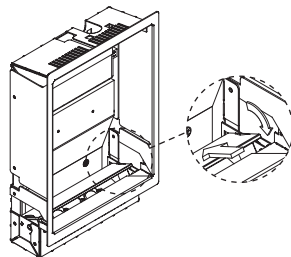

CLICK!

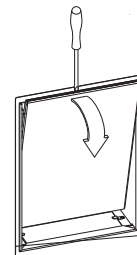

insert the reflector, underside first. Use plastic gloves.

Insert the glass, clamp it under the springs

6 installation

In case of LED, slide the glass between the springs and turn to the horizontal position.

Different reflectors are possible. Use a screwdriver to remove the reflector.
