

BELEM

Fixed downlights

design Roberto Mantovani

The Belem range is ideal for the general lighting of interiors and exteriors, marrying high performance to excellent optical quality. Due to its high IP rating, it can be used in wet areas. Available in seven finishes, four colour temperatures and two extremely clean and high-performing optic varieties.

La gamma Belem si presta ad illuminazioni generali di interni ed esterni, sposando alte prestazioni a una eccellente qualità delle ottiche. Grazie al grado IP elevato può essere impiegato in zone umide. Disponibile in sette finiture, quattro temperature colore e due ottiche estremamente pulite e performanti.

La gamme Belen se prête à des éclairages généraux d'intérieurs et extérieurs, en associant des prestations élevées à une excellente qualité des optiques. Grâce au degré IP élevé, elle peut être employée dans des zones humides. Disponible dans sept finitions, quatre températures couleur et deux optiques extrêmement propres et performantes.

IP65 made in Italy

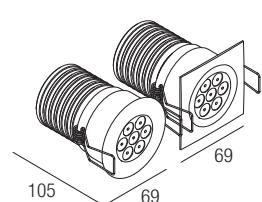

La gama Belem es ideal para la iluminación general de interiores y exteriores, combinando altas prestaciones con una excelente calidad de las ópticas. Gracias al alto grado IP se puede emplear en zonas húmedas. Disponible en siete acabados, cuatro temperaturas de color y dos ópticas sumamente netas y eficientes.

Supply current
350-500mA (V_f 20,3V)

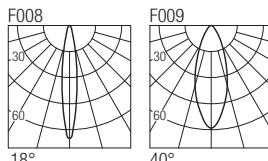

Power
7-14W
