

Name: Alba - 60 LED

Design: Rubén Saldaña / 2014

Typology: Wall lamp

Environment: Indoor

Technical description:

Indoor ADA Wall light with frontal decorative plate in aluminum or wood. Back mounting and diffuser box are iron made, directing light down through a bottom polycarbonate opal diffuser. Finishes are Satin White for the diffuser's box and Natural Oak, White or Polished Aluminum for the decorative plate. Optional upper switch available for special order. The election of this option alters IP rating of standard model.
