

KURT Q10

Fixed downlights

design Lapo Grassellini

The range of Kurt downlights offers extremely compact diffused downlights capable of combining quality and power, using the latest generation diffusive materials capable of guaranteeing efficient transmission factors and perfect light uniformity.

La gamma di incassi Kurt offre incassi a luce diffusa estremamente compatti, in grado di combinare qualità e potenza, impiegando materiali diffondenti di ultima generazione capaci di garantire fattori di trasmissione efficienti ed una uniformità della luce perfetta.

La gamme d'encastrables Kurt propose des encastrables à lumière diffuse extrêmement compacts, capables d'associer qualité et puissance, en employant des matériaux diffusifs de dernière génération capables de garantir des facteurs de transmission efficaces et une uniformité parfaite de la lumière.

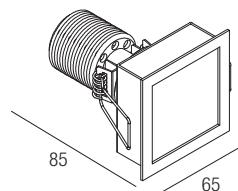

IP44 made in Italy

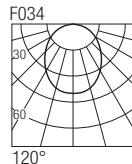

Supply current
250mA (V, 37V)

Power
10W
