1 dimensions

The Dolma profile is supplied with up&down / symmetrical modules already installed.
On site the module glasses and frontplates need to be placed after mounting the profile.

2 installation

In case of up & down module

install glass

fold lip a little so it fits under the glass

install frontplate, it attaches magnetically

In case of symmetrical module

install glasses

fold lip a little so it fits under the glass

bottom glass rests on these lips

install frontplate, it attaches magnetically
