technics

Small Side in line, Small Square Side in line, Mini Side in line, Side in line, Square Side in line

connect power supply

Please make sure that mains voltage is disconnected before proceeding!

slide fixture into installed plasterkit

fix base plate to housing with screw (2x)

5 connection

insert the reflector, underside first.
use plastic gloves

insert the glass in the springs

in case of LED, slide the glass between the springs and turn to the horizontal position

6 installation

different reflectors are possible.
to remove the reflector use a screwdriver

7 accessories

visible cut out in wall	L x W
